"Poruka iz boce"

Dragi Neznanče,

Ovu poruku iz boce šaljem Tebi, tvojim prijateljima i poznanicima i njihovim prijateljima i poznanici-ma.

Ovom porukom pružamo ruku prijateljstva sa željom da u celom svetu zavlada mir i blagostanje i da se svi ljudi dobre volje druže i bave sportom ili rekreacijom, kao svi mi, učesnici biciklističke trke Dunavski kup.

Bude li prilika da se zatekneš u Novom Sadu, Vojvodini, Srbiji, dobro nam došao i priključi nam se!

Molimo Te da poruku vratiš u bocu i pustiš dalje niz vodu, kako bi je i drugi neznanci „upecali“!

Prijateljski pozdrav!

Dear Stranger,

We send this message in the bottle to You, to Your friends and to Your friends' friends.

With this message we're extending our hand of friendship with the wish of having peace and prosperity in the whole world and that all people with good will socialize and engage sports or recreation, just as we, the participants of Danube cup race do.

If there will be a chance of You to find Yourself in Novi Sad, Vojvodina, Serbia, You are welcome to join us!

We're asking You to put the message back to the bottle and let it further down the water, so that more Strangers can catch it!

With a friendly greeting!

Participants of the international cycling race
